Dear members

We would like to introduce our new activity to cultivate people who take over our creative culture.

We will start training in craftworks this year for the Art teachers from the 24 junior high school in Kanazawa. It is aim to make solid environment for their students to learn, understand about a local traditional culture and traditional craftworks. We hope that training will be improve the teachers skill, because it could be connect to a human or a career education through cultivate the students who understand their local craftworks and feel the people who related the traditional craftworks.

The training will execute in this month, the participant will work at make a product using a Kanazawa gold leaf which Kanazawa occupies 99 % of out put of gold leaf in domestic.

We will promote the various projects to cultivate people for take over our creative culture.

I wish you all the best and success more and more.

Yours sincerely
