When Receiving Your Vaccination:

- Bring your ticket(s) to the vaccination site with the backing paper attached (do not peel off the sticker portion).
- The vaccination certificate to the right is important; store it with care after your vaccination.

The COVID-19 vaccine is provided free of charge.

Vaccination availability will vary based on factors such as your age.
Please store your vaccination ticket with care until your vaccination period arrives.

- ★ Please refer to the Ministry of Health, Labour and Welfare website for a list of medical institutions providing vaccinations.
- ★ Some people may be unable to receive the vaccination due to their physical condition that day, or due to an underlying medical condition.
Please note that adverse reactions may occur after vaccination; be sure to consult a doctor before your vaccination.
- ★ Please note that, because this vaccination ticket was prepared on April 1, it may show outdated information (such as if you have moved since April 1).
