(Director's Name)

## Notification of Work Restrictions

It has been reported by a medical doctor that you have the infectious disease indicated below. To prevent the spread of the disease, you are hereby notified of the work restrictions indicated below, according to the regulations of the Law on the Prevention of Infectious Diseases and the Treatment of Patients, Article 18 Section 2

Name and address of the patient	
Name of the infectious disease and symptoms	Infectious disease type 2 (tuberculosis) Symptoms ( )
Method of diagnosis	Pathogen check of the sample (sputum) Result ((Testing Method) : positive)
Date of initial examination (date of diagnosis)	Reiwa (year) (month) (day) (Reiwa (year) (month) (day))
Restrictions on the type and term of work according to Article 18 Section 2	[ Type of work ] Hospitality work or work involving contact with many people [ Term of work ] Until it has been confirmed that the patient does not have the pathogens of the infectious disease, or until the symptoms of the disease have disappeared
Measures to be taken if you do not adhere to the work restrictions	If you do not adhere to the work restrictions (Law on the Prevention of Infectious Diseases and the Treatment of Patients, Article 18 Section 2), you may be fined according to Article 77 Section 4 of the law.
Request for confirmation of the end of work restrictions	The person subject to the restrictions on work (Law on the Prevention of Infectious Diseases and the Treatment of Patients, Article 18 Section 2) or his/her guardian can make a request for the termination of work restrictions to the director of Kanazawa City Healthcare Center.
Other necessary remarks	None

1. If you have a complaint about the content of this notification, you can contact the Mayor to request an examination within three months of the day after you are informed of this decision.
2. In addition to the request for an examination stated in 1 above, you can file an appeal for cancellation of this decision against Kanazawa City (represented by the Mayor) within six months of the day after you are informed of the decision. If you have submitted the request for an examination stated in 1 above, you can file an appeal for cancellation within six months of the day after you are informed of the decision on your request for an examination.
3. Notwithstanding the above, you cannot request an examination or file an appeal for cancellation if one year has passed starting from the day after this decision (or the decision on your request for an examination). However, if there is good reason, you may request an examination or appeal for cancellation of the decision after the periods stated above, or even after one year has passed starting from the day after this decision (or the decision on your request for an examination).
