If You have an Individual Number Card or Basic Resident Register Card

If you have an Individual Number Card or Basic Resident Register Card, and you are able to receive Special Provisions for Notification of Moving In, please check the following box.

I am able to receive Special Provisions for Notification of Moving In.

Special Provisions for Notification of Moving In is a system whereby an individual with an Individual Number Card or a Basic Resident Register Card can submit their notification by presenting their Individual Number Card or Basic Resident Register Card at the government desk of the municipality they have moved to, and entering their PIN code, when submitting their filled-out Certificate of Moving In; no Certificate of Moving Out is required. (A Notification of Moving Out must still be submitted to the municipality being moved out of.) No return envelope is required, because no Certificate of Moving Out will be issued if this exception is applicable.

The same Individual Number Card or Basic Resident Register Card can continue to be used after moving to the new municipality.

You must present your Individual Number Card or Basic Resident Register Card at the government desk of the municipality you move to, and enter your PIN code. Your digital certificate will be revoked.

- ※ **Please Include the Following Documents:**
 - Copy of identification document (driver's license, passport, health insurance card, etc.)
 - Return envelope (please write your name and address on it, and attach a postage stamp)
- ※ Reissues may require a fee. Be sure to contact us in advance.
- ※ Submission of false notifications shall be punished in accordance with the law.
