Bank transfer date	June 30	Aug. 31	Oct. 31	Jan. 4	March 31

- The bank transfer amount for each period is [Amount per meal × Number of meals for one year] divided by five. From the 1st to 4th period, the amount is rounded up to the nearest 1,000 yen.
E.g.) $250\text{yen} \times 190 \text{ times} = 47,500\text{yen} \rightarrow 47,500 \div 5 = 9,500\text{yen}$
From the 1st to 4th period: 10,000yen each ($10,000\text{yen} \times 4$)
5th period: 7,500yen (remaining amount)
- If a school event schedule is changed or a school lunch is not provided due to natural disaster or other reason, the difference will be applied in the billing amount for the fifth period.
- The annual payment schedule and the payment amount for each period are notified around June every year.

4. School lunch fees

The school lunch fees are the actual costs for purchasing ingredients and other materials for school lunches. The following are the lunch fees per meal.

Junior high school: 293 yen per meal

If your child cannot eat part of a school lunch due to an allergy, etc., the corresponding amount will be reduced.

5. Suspension and Resumption of School Lunches

After application, school lunches will not be stopped unless the parent/guardian requests it. If you wish to suspend school lunch for more than 8 consecutive days due to illness or other reasons, please contact the school at least 3 days prior to the suspension (excluding Saturdays, Sundays, and holidays). Please note that in the event of a sudden absence, school lunch fees will be charged as food orders cannot be cancelled. Please contact the school at least 3 days in advance when resuming a suspended school lunch.

You do not need to submit the forms if your child enters an elementary school or a junior high school that is not a municipal school of Kanazawa City (national, prefectural or private schools), but please contact the school as soon as possible.
