

A request from Kanazawa City Snow Removal Headquarters

Tips and manners for dealing with snow

Kanazawa City has established a snow removal system to secure our transportation network and people's livelihoods during winter. However, without your cooperation it is difficult to overcome long winters. Please keep these snow removal tips and manners in mind in snowy areas.

Please cooperate for the smooth removal of snow.

Change to snow tires early.

Prepare snow removal tools.

Don't park your car in the street.

Join community snow removal activities.

In front of your house, on narrow streets, sidewalks, **around fire hydrants**, near pedestrian crossings, bus stops, etc.

Don't discard snow in the street.
Don't discard snow in canals.

Please remove snow in front of your house after public snow removal work.

⚠ In the case of heavy snow

Only go out if necessary.

Zzzz...

Don't drive your car; use public transportation.

Road Maintenance Section, Kanazawa City

The system was expanded.
