

What is the International Exchange Ambassador Program?

We hold **lecture and workshop events** for international exchange students in Kanazawa and the surrounding region.

The aim is to enable participants to understand **Kanazawa's distinct traditions and culture** through various hands-on experiences.

These events are **free** to attend.

Those who complete the Program will be officially appointed by the mayor as "International Exchange Ambassadors" to promote **the charms of Kanazawa**.

Participant Impressions

By participating, I learned about things I otherwise never would've known. Highly recommended!

-Dido

I discovered the rich traditions of Kanazawa and even connected with the local craftsmen who preserve them.
